Re: Discontinuation of Water Service
Yavapai Mobil Home Estates & Adjacent Apartment Complex

Via: US Mail Certified

Dear Sirs:

This letter is to inform you the City of Prescott will disconnect the water service to the above-referenced properties on March 31, 2009.

Your properties have been served potable water by the City of Prescott on a temporary basis since May of 2008, with an understanding that the length of service would be 90 days, allowing time for your firm to develop an alternative means of meeting the new arsenic standard. Seven months have elapsed since that agreement under a voluntary extension of time granted by the City of Prescott.

The City of Prescott Public Works Department is available to share information on the Department's experience with arsenic treatment if needed. Please call Jim Ciaffoni, City Utilities Engineer, at (928) 777-1610.

Yours truly,

Steve Norwood
City Manager
